

OPENING OF METRO SANTIAGO LINE 6

CHILE

The President of Chile Michelle Bachelet, accompanied by the Metro director, Rodrigo Azócar, and the Minister of Transportation, Paola Tapia, inaugurated the Santiago Metro Line 6, between Providencia and the municipality of Cerrillos. With 10 new stations and a distance of 15 kilometers, this new line will reduce travel time from 49 to 16 minutes. OSSA is proud of its participation in this emblematic project.
